WellFirst Health is creating a better kind of insurance experience for individuals and families.

It links physician, hospital and health insurance solutions together to offer a different level of care. WellFirst Health has partnered with SSM Health to take you through the entire process from seeing your doctor to understanding your coverage.

■ When can you enroll?

You can enroll in the Marketplace during open enrollment between November 1 through January 15. After that, you will need to wait for the next open enrollment period in, unless a qualifying event occurs and you are eligible for special enrollment (job loss, marriage, divorce, a baby or a move to a new coverage area).

■ Are there cost-savings available?

You may qualify for lower premiums or out-of-pocket costs, based on your household income and size. For more information or to check your eligibility visit wellfirstbenefits.com/calculator

■ What do you need to enroll?

1. Social Security Number(s) (or document numbers for legal immigrants).
2. Employer and income information for every member of your household who needs coverage.
3. Policy numbers for current health insurance plans covering members of your household.
4. If anyone in your household is eligible for a job-based insurance plan, you will need to have the employer complete an Employer Coverage Tool on healthcare.gov
